

Society of Interventional Radiology Copyright and Reprint Policy

All Society of Interventional Radiology (SIR) materials including those in print and those posted on its websites, as well as those distributed digitally, are subject to copyrights owned or licensed by unless indicated otherwise. SIR may provide limited permission for users to reproduce, retransmit, or reprint, for such user's own personal use only, part or all of any document as long as the copyright notice and permission notice contained in the document or portion thereof are included in such reproduction, retransmission, or reprinting. All other reproduction, retransmission, or reprinting of all or part of any document in print, otherwise disseminated or posted on any SIR website is expressly prohibited without written consent from SIR.

The names, logos and other trademarks of SIR may not be used by any other party without prior, written permission. These names, trademarks, service marks, and logos may not be used in any advertising, publicity, or otherwise to indicate, suggest, or imply SIR relationships, sponsorship of, or affiliation with any entity, individual, product or services, without prior express written permission.
